

# What Would 10 Years of the Buffet Rule Buy?

Based on FY 2011 spending and CBO's projections of President Obama's proposed FY 2013 budget

## \$47 Billion

23 days of  
Social Security Benefits

74 days of interest  
on the U.S. debt

25 days of National Defense

A 0.7% reduction in President  
Obama's proposed budget deficits

75,000 lost  
jobs per year

A \$14 per year tax cut  
for every American

118 bridges to nowhere

A corporate jet for  
every member of Congress
